Election Monday December 7th.

Monday, December 7th, is election day in most townships here in Haliburton County.

In Anson Hindon and Minden, Reginald Booth, Douglas Pritchard, William (Bill) O'Brien, Robert Gorrie, and Allin Cooper will be seeking three seats on Council. Len Lonsberry, J. Earl Palmer, Sybil Hope, and Wallace Crofts are seeking two seats for School Board Trustee.

In Stanhope Township, Incumbent Reeve S. G. Nesbitt will be opposed by F.H. Brooks. Jim Elder was elected Deputy-Reeve by acclamation. Eight persons were nominated to contest three seats on Council, Russel Bain, Kenneth Hone, Elvin Johnson, James Harrison, Kenneth Whitney, Carl Harrison, Albert Rawlings and Arthur Hunt. Five persons were nominated and qualified to contest two seats on the Schol Board. They are Barbara Elder, Douglas Adamson, Wilfred Mason, Doreen Stinson and Evelyn Gibson.

In Lutterworth Township, the entire Council of Reeve Robert Beeney, Deputy-Reeve Lloyd Walker and Councillors Nelson Archer, Mervin Brohm, were re-

turned to office by acclamation. In Snowdon Township Ralph Young received an acclamation to represent the municipality on the Haliburton Board of Education. The township council is in the middle of a two-year term.

In Dysart Reeve Roy Brohm was acclaimed back into office, starting his eleventh year as Reeve. For Deputy-Reeve Rob-

ert Bishop Sr. and Holly Sisson will run for office. For Council in Ward 1, Harold Bannon and Murray Fearrey. In Ward 2, Lloyd Coneybeare and Nancy I. O'Neil. Ward 3 Lawrence Morrison in by acclamation. For School Trustee Edward Fajar, Richard Poole, Patricia Richardson, Leslie Roberts, Leonard Salvatori, Dorothy Way.

RED CROSS HOSPITAL FUND DRAWING TO A CLOSE

Someone asked, 'Has the Thermometer on the corner at the Canadian Imperial Bank of Commerce run out of red ink?' No, but our campaign for the extensive building programme on the Minden Red Cross Hospital is drawing to a close, with only a few more days to go.

Although our Thermometer doesn't show it, we are also getting close to our objective. But we have not reached it yet.

It is our hope that those stalwart business men, and residents who have not yet contributed to this most worthy cause, will do so NOW, for we must complete our programme by December 15th, and folks that is only TWO SHORT WEEKS AWAY.

'THINK'. Does our Red Cross

Hospital contribute to this community? Has it been a benefactor to you or your family over the past few years? Could we do without it in our village?

We urge you to support this drive by forwarding your contributions in person or by mail to: Ray Hyde, Manager, Canadian Imperial Bank of Commerce; Heather Harrington, Treasurer, Minden Ontario; Minden Red Cross, General Delivery, Minden; or to J. Earl Hewitt, Campaign Chairman, Minden. Receipts will be given or forwarded.

MINOR HOCKEY NEWS

In Midget action Haliburton won Tuesday night 7 to 0. In Fenelon Falls the locals dropped a 11 to 5 contest. In this latter match Bob Arbuthnot scored 2, while singles went to Roger Yearwood, Leigh Bull and Wayne Harrison.

Coach Jim Cummings is doing a fine job with the Minden Bantam team. The locals beat Fenelon Falls on Monday night 5 to 1. John Welch was the big gun scoring four goals. Kevin Rayner picked up the single. In Bobcaygeon the Bantam club lost a close 9 to 7 game, scoring for Minden was John Welch, Kirk Hewitt and Gary Foster with two each and Doug Raye with a single.

In Novice action the locals tied Cannington 3 to 3. Paul McKenzie scored twice while Tom Palmer picked up a single. The Novice club dropped a 5 to 1 game with Haliburton. Tom Palmer scored Mindens only goal.

C.N.I.B. CAMPAIGN A HUGE SUCCESS

For those who see little or nothing, CNIB service stands ready. The program offers the training they need—for life around home or life on the job. Elderly people may live in a residence designed to their needs. Children and youth receive special services geared to education. Through prevention of blindness, CNIB fights the diseases that destroy good sight for thousands of Canadians every year.

The Minden area residents have donated very generously to the work of the Canadian National Institute for the Blind. There are very few blind persons in our area and for that we are most thankful.

To everyone who received the canvassers so graciously, we extend our thanks. The canvassers spent many hours making calls on behalf of the C.N.I.B.

We wish to thank the following canvassers. Mrs. Maron Hounsell, Mrs. Gala Stamp, Mr. Robt. Krick, Mr. Aylmer Moore, Mr. W. W. Noice, Mrs. Aylmer Moore, Mrs. W. Oake, Mrs. Geo. Finley, Mrs. Vera Ward, Mrs. Marg. Lonsberry, Mrs. Wm.

Cox, Mrs. Andy McKenzie, Mr. Richard Kirkwood, Mrs. Paul Muller, Mrs. Sid Brown, Mrs. M. Shantz, Mrs. Marj Windover.

ROTARY BINGO

The Rotary Club of Minden will hold their annual Turkey Bingo on Thursday, December 17th. The Club decided that this will be the last Bingo until Thursday, January 28th 1971. The reason for this of course is that there is not enough participation over the Christmas and New Year Season.

The Club would like to extend their appreciation for the patronage over the last few years, and hope to see all the bingo players when the bingos start again on the 28th of January.

The Kawartha Cavaliers of Lindsay have got to be just about the tops for "hard luck".

To get the band going and keeping it rolling takes a lot of time and money. When the Cavaliers started they made their own costumes and the expenses came out of their pockets. Now, here's where the hard luck comes in.

The Grey Cup parade this year was beautiful and, every band got good coverage both by the announcers and the TV cameras — what happened when the Cavaliers came along? they just appeared at the top of the screen when one of the announcers said the next band is the Kawartha Cavaliers, sponsored by Ontario Government. You couldn't even see the Cavaliers, then the commercial came on and it was a long one. By the time it was over the Cavaliers were no where in sight.

When they were in the parade at Ottawa they barely got on cameras and the announcers remarked, "The Kawartha Cavaliers" from Ontario.

Like I say, they just got to be the original "hard luck" characters.

* * * *

While on the subject of entertainment I can never figure out why it is that when they have first class half-time show a couple of announcers come on the air and replay the game and pontificate on how the second half is going to go. All the time the half time show is going on but, no one gets to see it. As experts these guys are from hunger — they couldn't even come close to picking the score on Saturday's game.

* * * *

Looking through Bill McDonald's book I found a little Limerick I could use.

"There was a young man from the city
Who met what he thought was a kitty.
He gave it a pat
And said, "Nice little cat."
They buried his clothes out of pity.

Sorry to see that the "Creative Writing" under Tom Farmer is having such a rough time — it's too bad because Tom is real interested and it is a great opportunity to visit with other people who are interested in writing.

Writing is a lonesome hobby and it's too bad that Tom can't seem to get his writer's club together. If you are interested in forming a writer's club — get in touch with Tom Farmer and see if you can't work something out.

* * * *

Well, that's another week gone by — we're getting closer to Christmas — too bad it has become so commercialized — the old days of a sock hung up hoping some nuts, candies and apples would be there in the morning is gone.

Drive carefully and be around and enjoy the Festive Season.

Fenwick.

Ratepayers of Anson, Hindon and Minden

Consider Some Statistics

OVER THE PERIOD OF 20 YEARS

1950 - 1970

- THE COST OF LIVING ROSE - 67 PER CENT

- THE COST OF SERVICES ALONE ROSE
110 PER CENT

BUT

- THE COST OF EDUCATION PER PUPIL
ROSE 300 PER CENT

- THE COST OF EDUCATION IN HALIBURTON COUNTY LAST YEAR WAS
\$2,149,963.

Overwhelming Isn't It ?

Consider These Statements

- I am a parent of 4 children, all of whom will be in our school system in September 1971, therefore, I do want that system to be sound.
- I am a ratepayer in 3 other municipalities served by our County Board of Education and therefore I feel the crunch of high educational taxes.

Consider My Proposals

- I would seek to be the Chairman or a member of the Budget Committee (the tax dollar starts here) where expenditures MUST be reviewed and excesses MUST be eliminated.
- I would work for and on behalf of all the people of Anson, Hindon and Minden to ensure that the County School system operates soundly, efficiently and for value received.

Consider My Qualifications

- A resident of this Municipality for 12½ years.
- A graduate of the University of Toronto in Forestry.
- A graduate of Osgoode Hall Law School.
- A continued interest in education since graduation.
- A director of the Haliburton Highlands Chamber of Commerce

ELECTION DAY MONDAY

On Monday, December 7th., the ratepayers of Anson, Hindon and Minden will head to the polls for the first time in years, to elect three councillors and two County School Board Trustees. For any-

one who will be away on Monday there will be an advanced poll held on Saturday December 5th. in the Municipal office from 10 a.m. to 5 p.m. So if you intend to be away Monday, make sure you place your vote for the candidates of your choice on Saturday.

Let me give you a little rundown on who is running. First of all as you know Reeve Charles Brandon and Deputy-Reeve Roy Windover went back into office on nomination night by acclamation. For the three council seats there are incumbents Reg Booth, Robert Gorrie and Allin Coper, two new nominees are Bill O'Brien and Doug Pritchard. Running for the two seats on School Board are incumbent Len Lonsberry and new nominees J. Earl Palmer, Wallace Crofts, Sybil Hope.

Let's take a short look at the nine candidates: Reg Booth, owner of Minden Boat Works, served as Reeve for four years and has some twenty years experience in Municipal politics. He does not hesitate to speak out and is to the point. Robert Gorrie is a salesman for a hardware Company, has been on council for the past six years. He is sincere and honest. Allin Cooper, retails chain saws, motor bikes, lawnmowers etc., has been on council two years, is President of the Liberal Association for Victoria-Haliburton. Soft spoken, conscientious. Bill O'Brien, owner of the Rockcliffe Hotel, University graduate, young and aggressive. Doug Pritchard, electrical contractor, well known throughout the Highlands, Kinsman, good hard worker.

For School Trustee: Len Lonsberry, Manager of the Brewers Retail Store, has many years experience on school boards, sound thinker, truly interested. J. Earl Palmer, lawyer, has served on many committees and boards of various kinds, good speaker, broad outlook on education. Wally Crofts, farmer, good businessman, intelligent, good value of money, keen worker. Sybil Hope, Resort owner, clever business woman, speaks out on her views, independent.

In a very few words this gives you a quick look at those running for office on Monday. It is important that you get out and place your vote. This is your chance to have a voice in what might happen in the future. These people have been nominated by the people and will carry the responsibility of the people. It is our responsibility to elect those we feel will carry that responsibility well.

All the candidates have placed advertisements in this issue, read their comments and views carefully, and if you need a ride to the polls, they will be more than glad to supply you with transportation.

Freedom will only last as long as the people keep democracy — you keep democracy by exercising your right to vote. Interest must start at the Municipal level. Make it your business to get to the polls on Monday and mark your ballot.

LETTERS TO THE EDITOR

November 25th., 1970.

Mr. S. G. Nesbitt,
Warden.
County of Haliburton,
County Building,
Minden, Ontario.

Dear Mr. Nesbitt;

Many thanks for the opportunity given Mr. Rex Boice and I to meet with the County Council and present a brief on behalf of the Haliburton County Deer Hunters Association.

The motion, proposed by Mr. Holly Sisson and seconded by Mr. R. Beeney, that the County Wolf Bounty be increased to \$25.00 and payable on all wolves caught after Nov. 24th., 1970, is appreciated.

As you are aware, the County portion of the wolf bounty added to the Provincial Government Bounty now totals \$50.00. We feel confident that this increased incentive to control deer predators in the County will save the lives of many deer.

Again we would like to express our thanks to you and your Council.

SINCERELY,

Louis M. Hodgson,
Secretary-Treasurer

'HO, HUM - COME TO THE FAIR

Well, not exactly a fair. But, early in December there will be a pre-christmas show and display of art, weaving, pottery, stitchery and handcraft, in the gallery of the Haliburton Highlands Guild Of Fine Arts.

Some of these items will be for sale, and some will simply be on exhibition.

Mrs. Thilde Nevitt, Mr. John Lewis, and Mr. Karl Hanke, will have their handcraft and art on display and for sale.

Members of the pottery group, under the direction of Mrs. Vi. Hudson, will exhibit some samples of their work.

There is great interest in the art course conducted by Mr. John Lewis of Cardiff, and some of the work of the people taking this course will be shown.

The recent stitchery and weaving workshops will also be represented.

We hope there will be many items of handcraft from local people, and we invite anyone who would be interested in exhibiting their work, to please let us hear from you.

This show and display will be from Monday, December 7th, to December 19th, Monday through Saturday, from 9 o'clock to four thirty. Open Friday Evenings December 11th and 18th, until nine o'clock.

570 FANS WATCH HUSKIES STRETCH THEIR UNBEATEN STREAK TO 6 GAMES

Haliburton hockey fans crowded into the local arena to watch the Huskies continue their unbeaten string to 6 games and trounce the Fenelon Falls Flyers to the tune of 11 to 1. This was the second straight victory over the Flyers as the Huskies defeated them on Thurs. night in Fenelon 7 to 4. These 2 wins now give the Huskies a perfect record of 6 wins and no losses for a total of 12 points. During these first 6 games the Huskies have scored a total of 55 goals to the oppositions 15, giving Lewis Dummitt a magnificent goals against average of 2.50. If the Huskies continue to improve as they have in the past few games, it is not conceivable that they could go the full season undefeated. TOWNSHIP OF STANHOPE RE-ELECT EVELYN GIBSON

Dear Fellow Ratepayers,
Equality in education is the ambition of our Minister of Education. Costs also concern him as school boards must operate between a minimum and maximum level. We have kept with in these guide lines and made improvements, such as, a new Minden addition, purchase of property in Haliburton adjacent to the Haliburton Highlands Secondary School and close by the new Red Cross Hospital. This elementary school will have a programme to integrate with the High School. Approval has been given and contracts let for same. Continuity of board members will benefit ratepayers and students in getting value for dollars spent. The Ontario Government pay 60 per cent of the approved costs for new schools and property. My ambition is similar in that I want equal opportunity in their early learning years for guidance and better preparation for grade 9-13 and onward in life. I walked three miles for five years to obtain grade eight.

Later I pursued education further by attending night classes, later graduating from Toronto Salvation Army Hospital school for nurses. Many difficult times were encountered due to lack of education in formative years. It has been a continual struggle in trying for better education for our children. Our first two boys when entering high school had to be taught grade eight work before continuing on. At about this time a new school was rejected for Stanhope. Without proper grounding in Mathematics before high school our daughter spent two full years before she gained proper understanding. These difficulties some children never overcome thus the need for improved methods in lower grades with continuity from Kindergarten to Grade 13. I serve you as a representative on the Haliburton County Library Board and represent that board at regional level. When the opportunity came to place a bookmobile library which would be stationary, I immediately suggested Stanhope. We have always shared the costs of the county library and are now sharing the benefits a library brings to a community. This library will continue to serve you as long as circulation keeps growing. I thank your council in their support of this venture. We have good people in our township, their generosity and kindness was shown when our home was destroyed by fire in 1947. This has been appreciated over the years and I would like to continue serving you. Personally I want value for my dollar bill for the present and future if need be. This I naturally carry when serving you on the County Board of Education. To continue my efforts I need, and will appreciate your support for re-election.
Sincerely, Evelyn Gibson

PLANNING FOR PROFITS

Open to all members of the business and industrial community who wish to increase their management skills.

Topics in the program will be:
What information does a small business owner need to operate his business profitably?
Methods of getting this information from an Income Statement and Balance Sheet.
Methods for discovering why a firm is short of cash, as well as possible courses of action to remedy the situation.

How a small business owner can pinpoint unprofitable areas of his business.
How to plan for a profitable operation.
How to use the plan so that potential trouble spots can be identified quickly and early action taken to eliminate them.

TIME: WEDNESDAY, 8:00 to 10:00 p.m., commencing January 20, 1971. 10 sessions. FEE \$15.00

NOTICE

To the ratepayers of Anson, Hinton and Minden. I have been nominated to stand for election on the Haliburton County Board of Education.

I will promise to work with the other elected members for a better method of collecting school tax and a good educational system. I will do my best to keep the costs of education at a reasonable level.

I believe that improvements can be made in public relations, improving the knowledge of the tax payers of what is going on within this system.

Give me your support and I will give you my best.

MINDEN, FIGURE SKATING ASSOCIATION TO SELL KEY CHAINS

The Minden Figure Skating Association has formed a Bursary Fund to aid in the development of Figure Skaters for World Competition. This year the Bursary Fund has joined with re-habilitation industries which is a branch of the March of Dimes, who produce Gem Stone Key Chains.

Our local skaters will be selling these key chains during the next two weeks and by your support you will be helping to train skaters to represent Canada and give work to disabled Canadians.

It happens every year about this time. The new models have been introduced and a lot of people are shopping around for another car or at least looking at the newest offerings from Detroit and elsewhere. I'm certainly not going to recommend a particular make and model to you that will save you the most money, but I do want to mention a few points about financing that car you may be thinking about.

As I've mentioned before in response to readers' questions, consider the finance charge of an automobile purchase as carefully as you consider any other part of the deal. It's just as important, in considering your total payment, as any optional equipment you add. Don't save money on the car itself only to lose it through extra finance charges.

First of all, know exactly how much you're going to pay for financing that new car (or used car). Very few of us can afford to pay cash these days.

Secondly, remember that you don't have to take the dealer's financing arrangements, or his insurance for that matter. But you can't waste any time before you should shop for credit. Here's what to do. Shop around the dealers' showrooms and see what you like. Find out what the total purchase price will be and then take that price and start shopping for credit.

Find out how much it will cost you to finance that much money from the different lenders available to you. Then, get your credit approved in advance. Select the lender who offers you credit for the amount you need to borrow.

Plan A Fun Winter —On The Snow!

Now with fall almost past, that annual question arises again: "What kind of winter will it be?"

Well, no matter how cold or snowy, now it's easy to plan and enjoy a fun winter—on the snow!

Winter fun opportunities never have been greater for families, according to the recreation experts at Mercury who divide their time between study of summer boating fun and winter snowmobiling fun. And the key to their availability is emergence of the winter resort catering to families.

Indeed, most of these are the same summer resorts families have enjoyed in the northern States and Canada for many years—only now they have added insulation, heating and other amenities for year-around operation.

Most important, most of these resorts have kept their family atmosphere—and family rates!

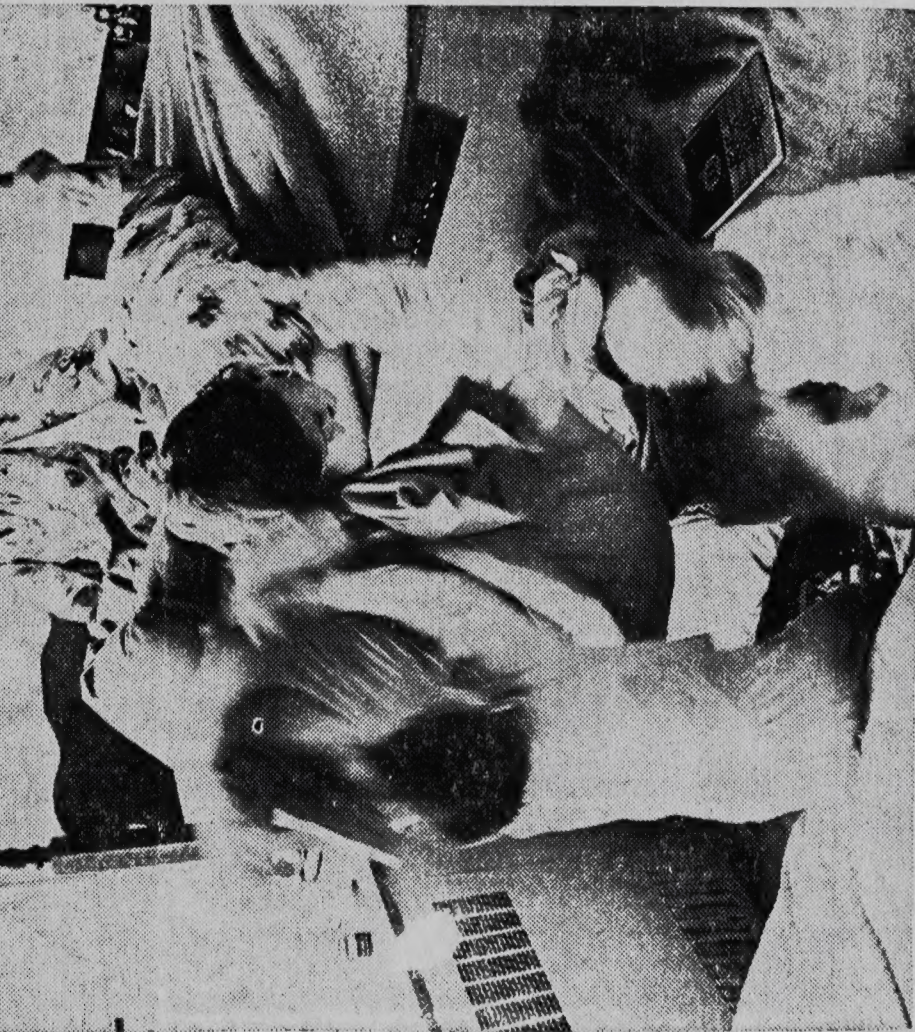

The snowmobile popularity boom is behind this happy expansion, of course, and the resorts are open to guests' machines in addition to the rental units generally available. In addition, these new retreats are offering a full array of other outdoor activities: skiing (with emphasis on helping the beginner), tobogganing, ice skating and even sleigh rides.

Most also offer attractive weekend "package deals" for families, realizing that many of us now look forward to several breaks in the winter work routine.

So plan for a fun winter—for the whole family—on the snows of these already familiar resorts.

Jim had four rambunctious boys and only one room for them to sleep in. Now, he needed to turn the TV room into another bedroom.

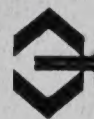

His first move was to the Commerce. Where he asked for a Bankplan loan.

We sat down with Jim and found out how much furniture, rugs, and re-decorating the room would cost. Then we set up a monthly repayment plan that his budget could afford.

This kind of planned personal service is why we call it a Bankplan loan.

Whether you need money to make room for an expanding family or to plan for the education of a teenage daughter or son, we'd like to help with a carefully worked out Bankplan loan.

GRAHAM - STEVENS WEDDING

The marriage of Miss Constance Nancy Stevens and Donald Harold Graham took place in Minden United Church, October 10 at one o'clock. The church was beautifully decorated with fall leaves and harvest fruits and vegetables representing the theme of Thanksgiving. Mrs. Catherine Kellett, cousin of the Bride sang 'The Wedding Prayer' and 'O Perfect Love' accompanied by organist Mr. Bill Gliddon of Haliburton.

Rev. Wesley Oake heard the vows of the daughter of Mr. and Mrs. Andrew Stevens of Minden, and the son of Mr. and Mrs. Harry Graham of Sault Ste. Marie, Ontario.

The bride, who was given in marriage by her father, wore a gown of white peau de soie designed with a chapel train and trimmed with embroidered lace. A band of matching lace secured her formal veil. Her flowers were gold chrysthmams, Talisman roses and fall leaves.

Mrs. Noreen Basciano of Peterboro was matron of honour for her sister. Bridesmaids were Miss Sandra Titko of Welland and Miss Joyce Graham, sister of the groom, of Sault Ste. Marie. They wore forest green velvet gowns and carried baskets of gold and bronze Chrysthmams.

Best man was Robert Waples of Sault Ste. Marie. David Stevens, bride's brother, and James Graham, brother of the groom, ushered. The groom's attendants wore black director's suits.

Deer Lodge was the setting for the dinner, followed by a reception at the home of the bride's parents. Mr. Perce Sawyer of Toronto was master of ceremonies. The bride's mother received wearing a gold ensemble accented with a corsage of coral Tuberous Begonia. The Bridegroom's mother wore a turquoise wool dress, black accessories, and a corsage similar to the Bride's mother.

Guests were present from London, Sault Ste. Marie, Welland, Toronto, Hagersville, Peterboro, Bradford, Kirkfield and Hamilton. The couple have made their home in Sault Ste. Marie, Michigan.

ABOUT THE TOWN

With Jeanne Sears

Santa arrived last Tuesday evening at Crest Hardware where little ones could tell him their wishes. There were several draws and winners were Horse, Karen Mackenzie; the elephant, Mrs. Buelah Hewitt and the Hot Rod, Opal Crowe.

* * * *

Also Tuesday evening a large crowd gathered at the Hyland Crest for an evening of cards, sponsored by the Kinette Club. The winners were cribbage Duncan McLelland, Bridge Irene Duncan and for euchre, lone hand Bill Deacon and Bruce Schribner, Bob Schroder, Della Griffin and Ena Horsley. Many of those enjoying the evening were residents and some of these were among the winners. Following the games all enjoyed the lunch of fruit loaves, cheese, pickles and tea or coffee.

* * * *

Another lucky winner at Rotary Bingo last Thursday when Chris Dollo won \$20 for getting a line in five numbers. Congratulations.

* * * *

Earl Hewitt told me that funds are still needed for the Hospital renovation. With a few more donations from those in our community and others this fund could be closed out before Christmas.

* * * *

At the General Meeting of Anson and Hindon Hunters and Trappers Association meeting last Sunday at Lands and Forests Office those elected included Pres. W. (Deac) Jackson, Vice President Elgin Thompson, Secretary-Treasurer Milt Sears, Directors Ern Hewitt, Hugh Austen, Hugh Taylor and Lorne Mills. Wolf Bounties of \$50 each have been paid to three members, Hugh Taylor, Hugh Austen and Wilfred Ackerblade. The next meeting will be held on September 26, 1971.

* * * *

Congratulations go to Mr. and Mrs. Leslie Richard, McCracken (nee Judy Faye Berry) whose wedding was Saturday.

* * * *

Patients at the local hospital on Monday included Mrs. Alice Poque, James Wruth, Joseph Jobin, Sherry Sheehney and Mrs. Adele Stirrette. In Ross Memorial are Mr. and Mrs. John Davis and Art Austen. All their friends send good wishes for a speedy recovery.

* * * *

At the workshop at the Haliburton County Library Office, last Wednesday, Librarians were present from 9 of the 10 branches and discussed some problems. Mrs. Packard showed some slides on her recent holiday in the British Isles. There had been an exchange of some 200 books among the libraries and a list was given out of missing books which librarians are trying to find. Also have you any overdue books? Try to return them soon.

Hint of the week — If your clothes rack seems to strain with clothes hung over them, get some adhesive-backed plastic and cover the spindles; this is attractive and no more marks on the clothing.

570 FANS WATCH HUSKIES STRETCH THEIR UNBEATEN STREAK TO 6 GAMES

(Continued from Page 5)

Junior competition. It is very encouraging to see 570 fans attend last Sat. night which gives the Huskies an average of 480 for 3 games. It is certainly a credit for the Haliburton Highlands to come up with such a powerful team in such a small area where the population is limited.

In Fenelon Falls on Thurs. night, the Huskies were determined to beat the Flyers, who according to reports were confident that their club was to be the strongest in the league. It was much to their surprise that the score was 5 to 1 when the whistle sounded to end the first period in favour of the 3 goals on setups from Craig Stamp. The Flyers, who have a good sized team, and who can skate, do not have the strong centres that the Huskies have to set up the plays. Jamie Carroll and Jim Cowan scored the other 2 goals. The Flyers decided that it was time to rough the Huskie team up a little in the second period, but as all the local fans know, the Huskies are too big a club to be run out of any arena. In the meantime, the Huskies amassed a total of 5 penalties and 2 goals while the Flyers managed 1 goal.

With a 7 to 2 lead going into the 3rd period, the Huskies played a closer checking game only to run into another rash of penalties, and then saw the Flyers score twice late into the game. Gerry McElwain counted the 2 Husky goals in the second frame.

At Haliburton the Huskies went onto the ice with a desire to win and it was apparent from the beginning that they were not to be denied. Danny Carpentie opened the scoring at 5:19 with Cam Botting getting the second 1 minutes later. From this point on it was a matter whether or no Lewis Dumitt would get a shutout, and just how many goals the Huskies would score. McElwain scored his first of three 5 minutes later, with Wilson and Botting rounding out the scoring in the first period. There were 7 penalties called on the Huskies to 4 for the Flyers. The Huskies outshot the visitors 20 to 7. Jeff Campbell and Gerry McElwain scored the second period goals as the Huskies fired another 22 shots at Armstrong in the Fenelon net. It appeared that Dumitt may pick up his first shutout of the season until the Huskies ran into another rash of penalties and a little carelessness in front of the net, to allow McGuinnis to spoil the night for Lewis. The total shots for the night were 53 for the Huskies and 29 for the visitors.

Ontario. Is there any place you'd rather be?

Ontarians are the kind of people who wouldn't be here if there was any place better. We are people who came from a hundred lands and stayed to build. People with backbone and brawn and a hunger to succeed. Men and women who've created a standard of living in decades that other lands worked centuries to build. If we have a flaw it's our chronic modesty. Ontarians may be proud to be Ontarians and Canadians . . . they just seldom tell anyone. From an economic point of view that's wrong. The more people we have boosting Ontario and Canada the better it is. And we've got a lot to boost with. At a time when the dollar is having many demands made on it, Ontarians can note that provincial taxes have held the line in 1970. And

we had a surplus to boot. Yet, needed programs have not been neglected. The Ontario Housing Corporation for example, has housed 120,000 people to date and currently has almost a billion dollars worth of programs active in nearly 200 Ontario Communities. We need a vigorous economy of course, to support these important programs. And, that's where you come in. Though our productivity has doubled in ten years and our incomes in twelve, Ontarians don't sit on their successes. There's a demanding decade ahead full of challenges and opportunities to make the quality of our lives better yet. To meet these challenges we've got to believe in ourselves. Which, when you think about it, isn't such a bad idea.

Everytime you boost Ontario . . . Ontario and Canada get a little stronger.

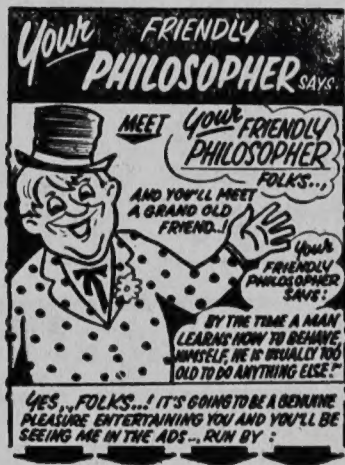

Government of Ontario  John Robarts, Prime Minister.

REPORT ON 1970 DEER HUNT

General opinions received at District Office from field staff indicate that while some camps in the Haliburton area had better luck than last year, success was lower in the Apsley area.

Harvest data obtained so far supports the general opinion that taking the two-week season area as a whole, the deer kill was slightly less than last year.

To date reports have been received from 35 per cent of all the known deer hunt camps in the District. Of these, 212 camps reported that they hunted in both 1969 and 1970.

Reported results are as follows: 1969; 1,976 men hunted 549 deer were shot, 27.8 per cent success.

The decline in the number of 1970; 1,993 men hunted 545 deer were shot, 27.3 per cent success. deer killed in recent years was not as severe this year.

As usual road check stations were operated for three days at Burleigh Falls, Union Creek and Norland. The 717 casual or day hunters interviewed reported killing deer for a success rate of 2.1 per cent. It appears that this hunt was very poor for day hunters as last year 823 hunters interviewed during the same three days had 32 deer for a 4 per cent success rate.

The department wishes to thank all hunt camp captains who co-operated with prompt returns and opinions as to what can be done to improve the hunt. These opinions will be evaluated when all camps have reported in. Appreciation is also extended to those hunters who donated moose and deer hides to the Department for the Indian Handicraft Industry.

FINAL FIRE REPORT 1970

The final reports for the 1970 fire season in this district indicate that 43 forest fires burned a total of 21.5 acres. This is a drop from 1969 when 53 fires burned 41.6 acres. Weather conditions were not sufficiently different to explain the decrease, so it seems that the Department's forest fire prevention campaign may have paid off. The public are to be congratulated for their response.

Permits for 2,775 hunt camps on Crown Land were issued in Ontario in the 1969-70 fiscal year.

The CBC has announced a five year plan to redirect and renew its French and English Radio Services. The basic concepts to be implemented include: The creation of two distinct services in each language, Radio One and Radio Two. Radio One would stress information and popular entertainment, carried on existing CBC-AM transmitters, with certain portions of the schedule given additional distribution by privately-owned affiliates. Radio Two, devoted to music, drama and the arts, would be distributed by FM stations in stereo (Toronto goes stereo December 20, Montreal some time next year). Until a full distribution system is developed, communities served by only one transmitter will receive a mixture of Radios One and Two. There will also be a new emphasis on community programming at the local level in all CBC-AM stations, and accelerated development of CBC-FM stereo facilities.

The Met Opera returns for another season Dec. 5, with a production of Donizetti's Don Pasquale, with principals Reri Grist, Fernando Corena, Alfredo Kraus, and Tom Krause. A comic opera in three acts, it was first produced in Paris on Jan. 1843. Milton Cross will again narrate the story of the opera.

Of interest to theatregoers, on Anthology, Dec. 5, a documentary investigation of the development and present situation of regional theatres in Vancouver, Edmonton, Calgary, Winnipeg and Halifax.

The first stage play by French Canadian novelist Francoise Loranger will be presented on CBC Stage, Dec. 5. One House, One Day (Une Maison, Un Jour) was first presented in 1965 in Montreal, and later toured Paris and Moscow. In 1967, Mme. Loranger won the Governor-General's Award for literature for her play, Encore Cinq Minutes, broadcast on CBC Stage last year. One House, One Day is about the decision of a family to sell the house it had lived in for years and to pack the father off to an old folks' home.

Those two very popular Maritimers, Anne Murray and Gene MacLellan will be heard in concert from Charlottetown's Confederation Centre on The Entertainers, Dec. 6. Anne will sing many of MacLellan's compositions, including Snowbird which has sold over a million copies and won her first gold record. A TV version of this show was telecast about a month ago.
